This letter refers to your letter request August 15, 2016, requesting the addition of Room 1AA05A as a location of use of radioactive materials. In support of this request: 1) Please provide a diagram of this room, indicating location of use and storage of radioactive material within the room; and, 2) Please describe the areas that are above, below and adjacent to Room 1AA05A.

This letter also refers to your request dated September 26, 2016, requesting a change in your Radiation Safety Officer (RSO) and the addition of authorized users. Your letter did not give any information on any additional Authorized Users (AUs). Please provide documentation for any additional AUs you want specified on your license.

You may respond to this email by return email (signed PDF) to lester.tripp@nrc.gov. You may also fax your response to (610) 337-5269.

If we do not receive a reply to this letter within 15 calendar days from the date of this correspondence, we will assume that you do not wish to pursue your request. Please reference MC No. 591756 in your response.
