Livonia, MI 48150

SUBJECT: TERMINATION OF YOUR NRC RADIOACTIVE MATERIALS LICENSE

Dear Mr. Shakir:

In your letter dated July 27, 2016, you contacted the U.S. Nuclear Regulatory Commission and indicated that you wished to terminate your NRC radioactive material license. Based on our review of your follow-up letter dated October 18, 2016, the staff has concluded that all licensable radioactive material has been appropriately transferred to another NRC licensee.

Therefore, we have concluded that your facility is suitable for unrestricted use and NRC license number 21-26742-01 is hereby terminated.

In accordance with 10 Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

If you have any questions, please contact me at (630) 829-9887

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin G. Null", is written over a horizontal line.

Kevin G. Null  
Materials Licensing Branch

License No. 21-26742-01  
Docket No. 030-34199

Enclosure: Amendment No. 08
