Dear Mr. Saxton,

Please find enclosed with this cover letter a copy of the 2016 Annual Report for the Lost Creek ISR Project SUA-1598 (Permit to Mine #788) submitted to WDEQ-LQD.

Included with the Annual Report is the draft update to the surety (Appendix B) that will be incorporated upon approval into the Reclamation Plan as Table RP-4. Therefore, LCI requests the NRC review the proposed reclamation surety included in the Annual Report in order to satisfy license condition 9.5.

If you have any questions regarding this submittal please feel free to contact me at the Casper Office.

Sincerely,
