**Re: 2016 Third Quarter Transfer Report**

Dear Sir:

In accordance with statement 9 of NRC License 06-02269-04G, Sikorsky Aircraft has initially transferred one (1) IBIS indicator to the US Navy (NADEP, Cherry Point, NC) during the third calendar quarter of 2016.

**9/7/2016: 5351**

The RSO for this US Navy Permit is:

Robert Linsteadt, N422  
NAVAIR Radiation Safety Officer  
COMNAVAIRPAC  
NAS North Island Bldg 319  
San Diego, CA 92135

The IBIS indicator (Part No. 12210-1) is manufactured by General Nucleonics Inc. Ponomo, CA. Each indicator contains a 500 microcurie Sr-90 sealed source.

Sincerely,

Julius Vaughn  
Radiation Safety Officer
