Steve,

I am writing you to inform you of the policing and security protocols in place at your newly constructed Passport building located at 940 East 1st Street South Boston, MA. As you are aware, the footprint of your building sits atop Massport property which was formerly known as the Coastal Fuel Terminal. Consequently, the property is patrolled by the Massport Police, 24 hours a day 365 days per year. In addition, the Massport Police are supported by the Massachusetts State Police Troop F who also respond to requests for police services. All alarms and request for police service should be directed to the Massport Police Department at 617-464-8250. If you have any other questions regarding policing and security protocols for that location, please feel free to contact me directly at 617-478-4151, or by e-mail at jlawless@massport.com.

Sincerely,

Joseph M. Lawless
