Dear Mr. Hockemeyer,

To continue our review of your request to add Matthew Mahlandt to your license, we require the following additional information:

1. You provided documentation to show registration in Missouri. Please provide documentation to show his registration in Kansas or West Virginia.
2. Please provide confirmation from Mr. Mahlandt that the 200 hours of classroom training (e.g., on-line course) was completed in addition to the testing.
3. The practical training was documented on NRC Form 313A (AUD), normally used for diagnostic physicians, with several items left blank or with zeros entered. Please submit NRC Form 313A (ANP), or equivalent, showing the 500 hours of practical training and where it occurred. In addition, please provide a copy of the Kansas license referenced by the preceptor, Ms. Crystal Elledge, showing her status as an ANP.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your amendment request.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.

Thank you for your assistance,
