Subject: RAI, Letter dated September 27, 2016

Discussion: I told Mr. Holliday that the letter he submitted was unclear as there was no amendment request. I asked if they were notifying us of that they ceased licensed operations as stated in 10 Code of Federal Regulation Part 30.36(d). He confirmed that they were. I asked if he could decommission if he had the funds. He said that he would be able to decommission if he had the funds. We discussed the lost and abandoned source program from DOE which he previously contacted. However, it appeared that the bankruptcy court would need to resolve the decommissioning of the sources.
