Subject: MIT Financial Assurance Update - Self Guarantee

Hi Chris,
This is the annual update for MIT. I have spoken to Reggie about this, as he continues with the Decommissioning Funding Plan for the MIT renewal and it dovetails well with that. We decided this would best be handled as a separate item, just to ensure Reggie's workload is identified. He has done the reviews the last 3 years and is quite familiar with the program. I wanted you to review the dates and ensure these work for the PAB. I am in the process of getting a CAC and will send that directly to Reggie.
