Docket Nos. 52-040 and 52-041

Dear Administrative Judges:

Through this letter, the NRC Staff satisfies its obligation to notify all parties on the service list of this proceeding upon the issuance of the final Safety Evaluation Report (SER) on the Florida Power and Light Turkey Point Units 6 and 7 Combined License application, as required by the Licensing Board Memorandum and Order of October 5, 2016. See "Memorandum and Order," (Prehearing Conference Call Summary, Case Management Directives, and Scheduling Order) at 2 (October 5, 2016) (unpublished) (ADAMS Accession No. ML16279A219). The final SER is now publicly available in the NRC's Agencywide Documents Access and Management System (ADAMS). The final SER is available on the NRC public website at ADAMS Accession No. ML16277A469, which is the ADAMS number for a document package that includes the individual SER chapters.
