To Whom It May Concern:

The purpose of the Reference 1 letter above was to provide a notification of a change from an operating division of AREVA Inc. to a standalone entity named TN Americas LLC. TN Americas LLC is a wholly owned subsidiary company of AREVA Nuclear Materials LLC. Additionally, the referenced letter submitted for approval Revision 15 to the TN Americas LLC Quality Assurance Program Description Manual (QAPDM) for 10 CFR Part 71, Subpart H and 10 CFR Part 72, Subpart G.

The purpose of this submittal is to address name changes on certain Certificates of Compliance (CoCs) due to the change to TN Americas LLC. The organizational name change became effective on October 1, 2016.

The CoCs in question were issued to either AREVA Inc. or Transnuclear, Inc. These CoCs should now be issued to:

TN Americas LLC
7135 Minstrel Way, Suite 300
Columbia, Maryland 21045

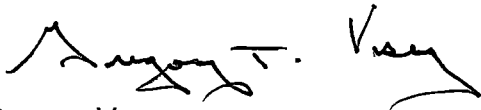

TN Americas LLC anticipates, based on the approach used in 2014 as reflected in the Reference 2 letter for an identical situation, that the CoCs issued under 10 CFR Part 71 will be revised to indicate issuance to TN Americas LLC, at the address above. Enclosure 1 provides a list of the CoCs for which this should occur, with reference to any CoC revision applications which are currently under NRC review. Enclosure 1 also includes reference to any U. S. Department of Transportation Competent Authority Certifications (CACs) which reference these CoCs.

TN Americas LLC also anticipates that CoCs issued under 10 CFR Part 72 will include the change to indicate issuance to TN Americas LLC, at the address above, at the next opportunity associated with a requested CoC amendment. Enclosure 2 provides a list of the CoCs for which this should occur, with reference to any CoC amendment or amendment revision applications which are currently under NRC review.

I certify that all records associated with these 10 CFR Part 71 CoCs and 10 CFR Part 72 CoCs will continue to be controlled and managed at the same location which applied under AREVA Inc. and Transnuclear, Inc.

Please contact Don Shaw, Licensing Manager at (410-910-6878) if you require additional information regarding these CoCs.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gregory T. Vesey', with a stylized flourish at the end.

Gregory Vesey
President
TN Americas LLC
