Subject: Submittal for Information – TN Americas LLC's Moyock location

Reference: Letter from Gregory Vesey (TN Americas LLC) to NRC Document Control Desk,
"Submittal for Approval – Revision 15 to the TN Americas LLC Quality Assurance
Program Description Manual for 10 CFR Part 71, Subpart H and 10 CFR Part 72,
Subpart G (Reference NRC Docket Number 71-0250)," dated October 10, 2016

To Whom It May Concern:

The purpose of the referenced letter above was to provide a notification of a change from an operating division of AREVA Inc. to a standalone entity named TN Americas LLC. TN Americas LLC is a wholly owned subsidiary company of AREVA Nuclear Materials LLC. Additionally, the referenced letter submitted for approval Revision 15 to the TN Americas LLC Quality Assurance Program Description Manual (QAPDM) for 10 CFR Part 71, Subpart H and 10 CFR Part 72, Subpart G.

The purpose of this submittal is to define the history of TN Americas LLC's Moyock location and Quality Program.

Moyock Casting Facility is a start-up operation owned and operated by TN Americas LLC. The start of production of various designs of NUHOMS® concrete storage modules began in the 1st Quarter of 2016. The facility is located just south of Moyock, NC on leased property owned by CRMP, a North Carolina Read-Mix Company. The Moyock Casting Facility works under the TN Americas LLC NRC-approved QAPDM with a Project QA Plan specifically defining the implementation controls.

If you have any questions or require any additional information regarding this submittal for approval, please contact Paul Oleyar at 410-910-6870.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gregory Vesey', is written over a horizontal line.
