Re: 2014 Fourth Quarter Transfer Report

Dear Sir:

In accordance with statement 9 of NRC License 06-02269-04G, Sikorsky Aircraft has initially transferred zero (0) IBIS indicators to the US Navy (NADEP, Cherry Point, NC) during the fourth calendar quarter of 2014.

The RSO for this US Navy Permit is:

Elisabeth Holland, MSPH, CIH
NAVAIR Workforce Safety Manager and Radiation Safety Officer Code 09F2/AIR
7.10.1 NAVAIRSYSCOMHQ
22145 Arnold Circle
Patuxent River, MD 20670-1541

The IBIS indicator (Part No. 12210-1) is manufactured by General Nucleonics Inc. Ponom, CA. Each indicator contains a 500 microcurie Sr-90 sealed source.

Sincerely,

Julius Vaughn
Radiation Safety Officer
