To Whom It May Concern,

Please find enclosed training certifications from Ronan Radiation Safety Training School for the 40 hour RSO certification.

Within our U.S. Nuclear Regulatory Commission: Material License (License Number: 47-25327-01), we would like to put Ericka Aversa as the Radiation Safety Officer. We would also like to add Howard "Freddie" Poling. Regarding the names that are already on the license, we would like to leave Brad Morgan on and take Chris Oliverio off. Mr. Oliverio is no longer with the company.

Thank you,

Brad Morgan
