SUPPLEMENTARY INFORMATION:

In accordance with Section 743 of Division C of the FY 2010 Consolidated Appropriations Act, Public Law 111-117, the NRC is publishing this notice to advise the public of the availability of its FY 2016 Service Contract Inventory and FY 2015 Service Contract Inventory Analysis.

The inventory provides information on service contracts with a value of \$150,000 or more that were awarded in FY 2016. The inventory includes the following:

1. A description of the services purchased;
2. The role the contracted services played in achieving agency objectives;
3. The dollar amount obligated for the services under the contract, and the funding source for the contract;
4. The contract type and date of the award;
5. The name of the contractor and place of performance;
6. The dollar amount invoiced for services under the contract;
7. The number and work location of contractor and first-tier subcontractor employees, expressed as full-time equivalents for direct labor, compensated under the contract;
8. Whether the contract is a personal services contract; and
9. Whether the contract was awarded on a non-competitive basis.

The FY 2015 Inventory Analysis provides information on specific service contract actions that were analyzed as part of the NRC's FY 2015 Service Contract Inventory.

The purpose of the analysis is to determine if contract labor is being used in an effective and appropriate manner and if the mix of federal employees and contractors in the agency is effectively balanced.

Dated at Rockville, Maryland, this 18th day of September 2017.

For the Nuclear Regulatory Commission.
