Mr. John Mastin,

I'd like to thank your staff for their time during the NRC inspection at your mobile unit in Pocatello, Idaho, and your time during our conversation this morning. As we discussed, there were no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

Thank you, and please do not hesitate to contact me with any questions or concerns,
