RE: North Anna Power Station Independent Spent Fuel Storage Installation License Renewal
Louisa County, VA
DHR File No. 2016-1214; NRC Docket #72-00016

Dear Ms. Caverly:

Thank you for initiating consultation with the Department of Historic Resources, which serves as Virginia's State Historic Preservation Office, under Section 106 of the National Historic Preservation Act for the undertaking referenced above. The undertaking, as presented, is the 40-year renewal of an existing license for the interim storage of spent fuel at the North Anna Power Station in Louisa County, VA operated by Virginia Dominion Power.

Based on the information provided, we concur that the undertaking will not impact historic properties. As such, a finding of no historic properties affected is appropriate.

Thank you for seeking our comment on the proposed action and your consideration of historic resources in the review of this application. If you have any questions concerning these comments, please do not hesitate to contact me at roger.kirchen@dhr.virginia.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Roger W. Kirchen".
