ATTN: Director, Division of Nuclear Materials Safety

RE: NRC Radioactive Materials License No. 06-30556-01, Amendment No. 08:
Amendment of License Implementation at the Former United Nuclear Corporation Naval
Products Manufacturing Facility, New Haven CT

Cabrera Services Inc. (Cabrera) is providing this notification update regarding utilization of NRC Radioactive Material License No. 06-30556-01, Amendment No. 08 (herein referred to as Cabrera's NRC License) in support of operations at a temporary job site. Restart of additional licensable activities continues to be delayed and are now scheduled to re-start on or about Monday, January 23, 2017. There are no other changes to the License Condition No. 18A information provided in the notification dated August 31, 2016.

If you should have any questions regarding this status update or amendment request, please contact me at (352) 610-2150.

Sincerely,

Michael S. Winters, CHP
Radiation Safety Officer
