Mr. Humenik,

In support of the request to remove 35.400 and 35.600 materials, please submit the following:

1. last date of use for I-125 under 35.400
2. confirmation of receipt of the last Ir-192 source by the manufacturer
3. the leak test performed of the last Ir-192 source returned
4. confirmation that Phuong Nguyen, M.D. should be removed from the license since 35.400 and 35.600 uses will be removed.

Finally, please provide the status of disposal for the Sr-90 source in storage. You may either respond via a signed pdf letter from management enclosing the above information or fax the response to my attention to 610-337-5269. Thank you for your assistance,

Penny Lanzisera
