Discussion: I asked Mr. Murphy if he received any additional training besides the Dade Moeller Training he attended. He said he received practical training from the previous Radiation Safety Officer, Mr. Nye before he left.

Mr. Murphy also told me that they had been removing gauges and only had two gauges left. He expected that they would no longer be using gauges in about one year. I asked that he send me the gauge manufacturer and model number and the amount they would like to be licensed for each model on his license. He said he would send by email.

Action Required: Mr. Murphy to send me an email with requested information.
