

# VOGTLE UNITS 3&4

## Vogtle 3&4 Construction Update CIP Task Force

January 19, 2017

An aerial rendering of the Vogtle 3&4 nuclear power plant construction site. The image shows several large white cooling towers emitting steam, various industrial buildings, and extensive electrical infrastructure including substations and transmission lines. The plant is situated in a green, hilly landscape with a river or stream nearby. The sky is blue with some clouds.
