Hi Phillip,  
Would you be available the week of March 27, 2017? The campus is closed for spring break on March 20-22.  
Thanks,  
Amber

Amber,

Due to the expected date of the UMD License renewal and my availability to develop an examination after receiving the materials, I suggest that we move the exam week to after the week of March 14, 2017.
