Technical Specification 6.6.3(1)
Docket 50-83, License R-56

Re: **Permanent Change in Facility Organization**

As required by our Technical Specifications, Section 6.6.3(1), we are reporting a permanent change in our facility organization involving Level 2.

Dr. James Baciak has replaced Dr. Kelly Jordan as Facility Director effective January 13th, 2017.

Please let us know if further information is needed.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Shea".

Brian Shea
Reactor Manager
University of Florida Training Reactor
