Subject: Request to amend license number 11-27380-01, amendment No. 11-27380-01 and license number 11-27380-04.

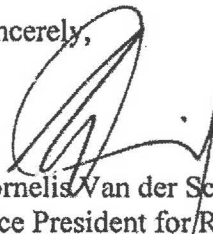

Dear DNMS Licensing Assistant:

Dr. Mahbub Khandaker, the current chair of Idaho State University's Radiation Safety Committee, has resigned from the committee and he has resigned from and left the University effective January 1, 2017. I request that item 12 of 11-27380-01 and line 11 A. of 11-27380-04 be amended to read:

- A. Licensed materials shall only be used by or under the supervision of the individuals designated in writing by the Radiation Safety Committee, Jon Stoner, Chairperson.

A copy of Mr. Stoner's curriculum vitae is enclosed for your review. Mr. Stoner has extensive experience using radiation producing machines and radioactive materials and is presently a member of the ISU Radiation Safety Committee. I believe that he is very well qualified for the position and would like the appointment to occur effective January 1, 2017, the date of Dr. Khandaker's departure.

Sincerely,

Cornelis Van der Schyf
Vice President for Research
