Dawn,

Attached is a draft of Amendment 5 of source material license SUA-1597, which includes the proposed Jane Dough Unit in licensed activities at the Nichols Ranch ISR Project. Please reply by close of business Friday, February 10, 2017, with Uranerz consent to the draft license conditions.

The NRC staff has completed a safety evaluation report (SER), which will be publicly available in ADAMS by COB tomorrow. The ADAMS Accession No. for the SER package is ML16327A111.
