Please be sure to include on your letter or email that it is a "FOIA Appeal."

## PART I.C COMMENTS ( Use attached Comments continuation page if required)

We are writing to advise you that your request, as written is too broad in nature. In order to process this request, it would mean searching every program office in the NRC and since you have stated in your request that you are unwilling to pay fees, this request is unreasonable and too broad to deem it as "perfected". A "perfected" request reasonably and accurately describes the records within the possession of a federal agency. Because your request is too broad, we are administratively closing your request.

Dear FOIA Requester:

The FOIA Improvement Act of 2016, which was enacted on June 30, 2016, made several changes to the Freedom of Information Act (FOIA). Federal agencies must revise their FOIA regulations to reflect those changes by December 27, 2016. In addition to revising our regulations, we intend to update the Form 464, which we use to respond to FOIA requests.

In the interim, please see the comment box in Part I.C of the attached Form 464. The comment box includes information related to the recent changes to FOIA that is applicable to your FOIA request, including an updated time period for filing an administrative appeal with the NRC.

Sincerely yours,
