Mr. Lawyer,

The phone number for the Office of the Senior Vice Provost for Research is 215-895-6091.

The address on the license, while still a Drexel University location, should be changed. On our Pennsylvania Department of Environmental Protection radioactive material licenses, we have been using the Radiation Safety Office address:

Drexel University
Bellet Building, Rm 1030
1505 Race Street
Philadelphia, PA 19102

Please let me know if you need any additional information.

Sincerely,
Kent

Subject: NRC License Termination

Mr. Lambert,

It has been awhile since this license was last changed. The address on the letter to request termination is: The Left Bank, 3180 Chestnut Street, Suite 104, Philadelphia, PA 19104. The address on the license is 1601 Cherry Street, Suite 10444, Philadelphia, PA 19102.

Is the address on the license still the address we should use?

Also could you give us the telephone number for Dr. Saunders so we have it on our record.
