

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

February 7, 2017

Jeff Griffiths, Chairperson  
Inyo County Board of Supervisors  
P.O. Drawer N  
Independence, CA 93526

Dear Mr. Griffiths:

Thank you for your letter of December 6, 2016, which describes your concerns about the U.S. Nuclear Regulatory Commission staff's final supplement to the environmental impact statement for the proposed Yucca Mountain geologic repository. As you noted in the letter, the adjudication concerning the Department of Energy's license application is suspended. Should the adjudication resume, Inyo County may continue to pursue its existing contentions as a participant before the Atomic Safety and Licensing Board, or raise new issues in the form of new or amended contentions.

Sincerely,
