U.S. Nuclear Regulatory Commission
FOIA Officer
Mailstop: T-5 F08
Washington, DC 20555-0001

To whom it may concern:

I request a copy of the records released to Joshua Tallent who works for the Office of the Attorney General of the State of NY, who has asked the NRC this October for "copies of any and all site-specific spent fuel pool accident consequence studies involving the spent fuel pools at Indian Point Nuclear Generating Units 1, 2 and/or 3. NRC assigned this request the number FOIA/PA-2016-0775.

I also ask for a copy of Mr. Tallent's request letter and any response letter provided him from the NRC.

This request should be considered a "simple" request because I am asking for the same records provided to another requester.

This is an individual noncommercial request. I agree to pay up to \$30 for applicable fees, if necessary.

Sincerely,

Michael Ravnitzky
