Re: Standby Trust Agreement dated March 7, 2006, by and between Halliburton Energy Services, Inc. ("Grantor") and JPMorgan Chase Bank, NA as Trustee (the "Trust Agreement") related to U.S. Nuclear Regulatory Commission License Number 42-01068-07. The United States Nuclear Regulatory Commission is the "Beneficiary" of the Trust Agreement.

Dear Ladies and Gentlemen:

Pursuant to Section 13 of the Trust Agreement [as supplemented by a Side Agreement dated March 7, 2006], the Trustee hereby notifies you of its intent to resign as Trustee under the Trust Agreement and that such resignation shall be effective ninety (90) days after the date of this letter, on March 27, 2017.

Grantor has the right to appoint a successor trustee, and such successor trustee shall specify the date on which it assumes administration of the trust in a writing sent to the Grantor, the Beneficiary and the Trustee. However, such appointment must become effective prior to March 27, 2017. If Grantor fails to provide the Trustee with a written notice instructing the Trustee to pay over all funds held in the trust fund to the successor Trustee prior to the close of business on March 27, 2017, then, as provided for in Section 13 of the Trust Agreement, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor trustee or for instructions.

If you have any questions, please do not hesitate to call Parker Lee at (713) 216-6245 or Paul Gilliam at (713) 216-3985.

Sincerely,

Greg Campbell  
Executive Director
