2 CHAIRMAN PALLADINO: The meeting will please
3 reconvene.

4 As you know, the Commission has been in closed
5 session for quite a few hours trying to make a decision on
6 what it wants to do with regard to the Diablo Canyon Unit
7 1. We have completed our deliberations.

8 The Commissioners are unanimous in their views
9 that fuel loading should not take place until a specified
10 seismic reverification program is completed to their
11 satisfaction. The Commissioners are divided on a four to
12 one basis as to the specific procedural means to attain this
13 result. An order suspending the Diablo Canyon license and
14 an accompanying letter from the staff has been approved by
15 the Commission, and will be issued shortly. Mr. Roberts
16 will attach his separate views regarding the procedural
17 aspects.

18 This is the conclusion we reached this afternoon.
19 I will ask any of the Commissioners if they have any
20 additional comments.

21 (No response.)

22 CHAIRMAN PALLADINO: I should also announce before
23 adjourning that the affirmation session which we had planned
24 this afternoon will be cancelled, and the items we had
25 listed will be addressed at Tuesday's affirmation session.

1 Unless the Commissioners have any additional
2 comments, we will stand adjourned.

3 (Whereupon, at 4:25 p.m., the meeting of the
4 Commission was adjourned.)
