Re: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

Dear Mr. Stello:

This letter is in response to your May 11, 1976 letter regarding a schedule for determining Nine Mile Point Unit 1 compliance with the Commission's Standard Review Plan on Fire Protection. Obviously, an extensive effort will be necessary to complete the required evaluation. We presently anticipate submitting the requested information by March 1, 1977; however, should any schedule slippage occur, you will be promptly notified.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
