Re: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

Dear Mr. Stello:

Your September 1, 1976 letter requested a commitment to provide a recirculation pump trip and schedule for installation at Nine Mile Point Unit 1. In response, we plan to install a recirculation pump trip as described in NEDO 20847 during the Fall, 1978 refueling outage. In addition, we will provide detailed design information by June, 1977. This will include appropriate Technical Specification changes.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
