Re: Nine Mile Point - Unit 1
Docket No. 50-220

Dear Mr. Ziemann:

Your letters of May 21 and July 26, 1973 requested additional information concerning the Quality Assurance program for Nine Mile Point Nuclear Station - Unit 1.

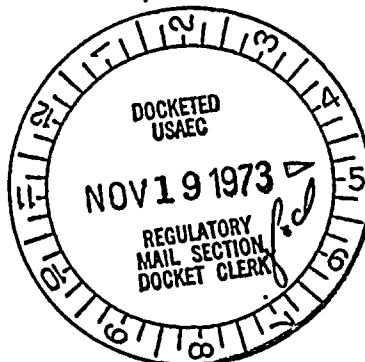

Since much of the information requested in your two letters is similar, the responses to the Quality Assurance requests have been combined into a single response. As requested in your second letter, the attachments include three signed and notarized originals and thirty-seven additional copies.

Very truly yours,

Philip D. Raymond
Vice President - Engineering
