1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first of these is the fact that the Commission has not yet received any information from the Government of the United States regarding the activities of the Committee for the Liberation of the Americas (CLA) in the United States. The Commission is therefore unable to determine whether the CLA is active in the United States or whether it is merely a propaganda organization. The Commission is therefore unable to determine whether the CLA is active in the United States or whether it is merely a propaganda organization.

1. 1990年12月，在“中国—东盟首脑非正式会议”上，中国领导人正式提出建立中国—东盟自由贸易区。
