Copied and pasted below is a Freedom of Information Act (FOIA) request from E&E News. Please confirm receipt of this email. Thank you for your help.

To Whom It May Concern:

This is a request under the **Freedom of Information Act** (FOIA).

I request records of all emails sent to and from the Nuclear Regulatory Commission Office of Public Affairs containing the term "who.eop.gov" from Jan. 20 to 27, 2017.

I prefer to receive responses to these requests in electronic form. If the responses to any of these requests exceed more than 15 megabytes, please contact me in order to arrange another form of delivery other than email.

I am filing these FOIA requests as a "representative of the news media" since I am a reporter for E&E News. This designation entitles me to a waiver of fees accumulated during the actual search and review process. Nevertheless, if your agency does determine that I should be charged for any part of these requests, please contact me before estimated costs exceed \$25.

These requests are made as part of news-gathering activity and is not for commercial use.

The information responsive to these FOIA requests will contribute to the public's understanding of your agency and the government at large. This information is not in the public domain but once your agency responds to these FOIA requests, it will be printed on our website, www.eenews.net, which has more than 40,000 unique visitors a day. We expect the information that is produced through these and other FOIA requests to serve as the basis for several articles that explain the government's actions and operations to the public. For more information about E&E News, please refer to www.eenews.net.

FOIA requires that if part of a record is exempt from disclosure, you must redact and release all segregated parts. Please describe the deleted material in detail and specify the reasons for believing that the alleged statutory justification applies in this instance.

If my request is denied in whole or in part, please specify which exemption(s) is (are) claimed for each passage or whole document denied. In addition, please give the number of pages in each document and the total number of pages pertaining to this request and the dates of the documents withheld. Such statements will be helpful in deciding whether to appeal an adverse determination.

As required by FOIA, I look forward to hearing from your office within 20 days in response to these requests.

If you have any questions about the nature or scope of these requests, please call me at 202-446-0468 or email me at hnorthey@eenews.net.

Thank you for your consideration of these requests.

Sincerely,

Hannah Northey
