Subject: Proposed Extension of Due Date for Responding to NRC Second Request for Supplemental Information Concerning the NFS Response to Generic Letter 2015-01

Nuclear Fuel Services, Inc. (NFS) hereby requests an extension of ninety (90) days, until April 19, 2017, to the date by which the NRC has asked NFS to respond to the questions issued in Reference 3. Additional time is needed to complete the analytical work that is required to appropriately answer the questions and to prepare thorough responses. In addition, an NRC site visit is scheduled for January 17-18, 2017, to discuss the questions along with our contractor.

If you or the reviewers assigned to NFS have any questions, require additional information, or wish to discuss this further, please contact me at (423) 743-1705, or Mr. Nicholas Brown, Nuclear Criticality Safety Unit Manager, at (423) 735-5519. Please reference our unique document identification number (21G-17-0041) in any correspondence concerning this letter.

Sincerely,

NUCLEAR FUEL SERVICES, INC.
