Salt Lake City, UT 84105

Dear Mr. Robson:

Thank you for your concern expressed about Private Fuel Storage, LLC sent to Chairman Meserve and Commissioners Dicus, Diaz, McGaffigan and Merrifield. The Commission has been advised of your correspondence. As an independent regulator, the Nuclear Regulatory Commission decision on the application to store spent nuclear fuel in a facility on the reservation of the Skull Valley Band of Goshute Indians will be guided solely by the governing standards for protection of public health, safety and the environment. We strive to carry out our review and decision-making process through a deliberate, public process including numerous public meetings and other opportunities to participate in a meaningful way. Your comments are important to us and we thank you for providing your comments.

Sincerely,

A handwritten signature in black ink, appearing to read "Annette L. Vietti-Cook", is written over the typed name.
