Dear Mr. Mosley:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I would like to inform you that the content of the information in the route re-approval application for transportation of spent nuclear fuel, dated December 22, 2016, has been determined to be complete. The NRC is currently conducting a detailed review of the application and the ability of the proposed route to meet the applicable regulatory requirements. We will provide results of our review of the application within 45 days of the date of this letter. To facilitate our review, please do not submit any changes or supplements to this application, except in response to a request for additional information.

If you have any questions or wish to obtain additional information concerning your application, please contact Alex Sapountzis at (301) 287-3660 or via electronic mail at Alexander.Sapountzis@NRC.Gov.

Sincerely,

/RA/

William Gott, Chief
