Dear Sir or Madam,

10-15-2016

This document is a report whose contained information conforms to the date requirements of NRC Form 653, TRANSFERS OF INDUSTRIAL DEVICES REPORT (TO GENERAL LICENSEES).

This report contains initial distributions to General Licensees for Quarter Three, 2016.

The devices were distributed by Heuresis Corporation, the device manufacturer. The devices are Lead-in-paint portable XRF analyzers, described in SSDR MA-1397-D-101-B and authorized by Massachusetts License 57-0702.

If there are any questions concerning this report, please contact me using the contact information below.

Thank You,

A handwritten signature in black ink, appearing to read "Ken Martin", written over a large, faint, grey "HEURESIS" logo that spans the width of the page.
