General Comment

The Schedule of Materials Fees has several errors and omissions in the Program Codes listed for Special Nuclear Material.

- Category 1A(1)(a) should reference Program Code 21213, not 21130.
- Category 1A(2)(a) should include Program Code 21240.
- Category 1A(2)(b) should reference Program Code 21205.
- Category 1A(2)(c) should reference Program Codes 21130 and 31133.
