**Date:** Friday, February 24, 2017 11:40:19 AM

---

NYSDEC does not have authority to regulate this material under its portion of the agreement. It's a licensing issue, handled by the licensing agencies.

Hi Sandy, I noticed that RATS ID 2013-1 is shaded, but nothing is noted in the comments. Please clarify what parts, if any, DEC has authority.  
Thanks,  
Michelle

Attached is a letter from the New York State Department of Environmental Conservation (NYSDEC) to the US Nuclear Regulatory Commission (NRC). The letter requests that NRC update the State Regulation Status list for NYSDEC. Please call me at 518-402-9625 if there are any questions.

Sandra Hinkel, Chief  
Radiation Control Permit Section  
NYS Department of Environmental Conservation
