Office of Nuclear Reactor Regulation
Attention: Mr. Darrell G. Eisenhut
Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Eisenhut:

Re: St. Lucie Unit #2
Docket No. 50-389
State of Florida
Radiological Emergency Plan

Attached please find a copy of the emergency plan for the State of Florida. We are transmitting this plan as agreed in the telephone conversation with your staff on April 8, 1982. This plan is part of the overall emergency program that has been developed for St. Lucie Unit 2.

Very truly yours,

Robert E. Uhrig
Vice President
Advanced Systems and Technology
