Dear Mr. Ziemann:

This letter is in response to your letter dated September 6, 1978 which was received on September 11, 1978. Our response to your letter is very nearly complete. However, we believe that we can improve the completeness of our response by reviewing our response with other SEP utilities. This will enable us to incorporate qualification results which may not now be available to us. We will submit our response to your request as soon as possible but no later than November 30, 1978.

Very truly yours,
