Dear Mr. Denton:

As counsel for Rochester Gas and Electric Corporation, I enclose the following:

(1) Three (3) originals and nineteen (19) copies of an Application for Amendment to Operating License to amend the Technical Specifications to add requirements for undervoltage protection as requested by the Commission, A. (2) Forty (40) copies of each of three (3) documents designated Attachments A, B, and C which set forth the requested change in the Technical Specifications; its safety evaluation, and information demonstrating that this change does not involve a significant change in the types or a significant increase in the amounts of effluents or any change in the authorized power level of the facility.
