Subject: Organization Technical Specification  
R.E. Ginna Nuclear Power Plant  
Docket No. 50-244

Dear Mr. Stahle:

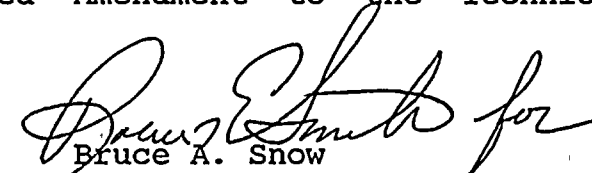

Rochester Gas and Electric wishes to provide two clarifications to our Application for Amendment, paragraphs 6.2.1.b and 6.2.1.c, as submitted by letter dated December 28, 1987. These two clarifications are as follows:

In 6.2.1.b, the term "individual executive position" refers to the Senior Vice President, Production and Engineering.

In 6.2.1.c, the term "individual management position" refers to the Ginna Station Superintendent.

The exact rewording is shown on the attached sheet. This page should be substituted for page 6.2-1 submitted with our December 28, 1987 Application.

We trust this clarification will help to facilitate the processing of this proposed Amendment to the Technical Specifications.

  
Bruce A. Snow  
Superintendent  
Nuclear Production
