1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial system and for providing a clear audit trail.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in entering data into the system, from initial entry to final verification.

3. The third part of the document addresses the issue of data security. It discusses the various measures that should be taken to protect sensitive information from unauthorized access and loss.

4. The fourth part of the document discusses the importance of regular backups. It explains how backups can help to prevent data loss in the event of a system failure or disaster.

5. The fifth part of the document discusses the importance of training. It explains that all users of the system should receive appropriate training to ensure that they are able to use the system correctly and safely.

6. The sixth part of the document discusses the importance of documentation. It explains that all procedures and policies should be clearly documented to ensure that they can be followed consistently.

7. The seventh part of the document discusses the importance of communication. It explains that all users should be kept informed of any changes to the system or procedures.

8. The eighth part of the document discusses the importance of monitoring. It explains that the system should be monitored regularly to ensure that it is operating correctly and that any problems are identified and resolved as quickly as possible.

9. The ninth part of the document discusses the importance of evaluation. It explains that the system should be evaluated regularly to ensure that it is meeting its intended purpose and that any necessary improvements are made.

10. The tenth part of the document discusses the importance of compliance. It explains that the system must comply with all relevant laws and regulations.

# NUCLEAR ENERGY LIABILITY INSURANCE

## MUTUAL ATOMIC ENERGY LIABILITY UNDERWRITERS

### Restoration of Limit of Liability Endorsement

It is agreed that:

1. Payments made and expenses incurred by the companies under this policy have reduced, in accordance with Condition 3 of the policy, the limits of the companies' liability stated in Item 4 of the Declarations and in all Increase of Limit of Liability Endorsements.
2. The limit of liability stated in Endorsement No. 73 which has been reduced is hereby restored to \$36,000,000.00. This restored limit applies only with respect to obligations assumed or expenses incurred because of bodily injury or property damage caused by the nuclear energy hazard after the effective date of this endorsement.
3. The limits of liability stated in the policy shall not be cumulative. Each payment made by the companies after the effective date of this endorsement for any loss or expense covered by the policy shall reduce by the amount of such payment every limit of liability, regardless of which limit of liability applies with respect to the bodily injury or property damage out of which such loss or expense arises.

Effective Date of this Endorsement July 1, 1983 To form a part of Policy No. MF-47
