Honorable Frank Horton  
2229 Rayburn Boulevard  
Washington, D. C. 20515

Dear Sir:

I am writing to inform you that I recently took part in a Nuclear Regulatory Commission audit of the R. E. Ginna Nuclear Power Plant during the period of 24-27 January 1984.

As you can see by the enclosed copy of the letter I sent to the Region 1 Administrator, I feel that they acted in violation of the law.

I have sent you a copy for your records, and also to register what I consider is a valid complaint.

I am sure that this is rather an unusual letter, but I, and probably all of the Reactor Operators in your district, would appreciate any help which you might be able to render.

Thank You,

*Frank L Maciuska*
