Subject: Emergency Operations Facility
R. E. Ginna Nuclear Power Plant
Docket No. 50-244

Dear Mr. Crutchfield:

The purpose of this letter is to confirm information given verbally to Mr. J. Lyons of your staff on December 2, 1982 concerning our Emergency Operations Facility (EOF). Our permanent EOF is located 18 miles from the R. E. Ginna site in a previously existing office building at 49 East Avenue, Rochester, New York. Our permanent primary EOF was previously located at 89 East Avenue. We do not have a backup EOF (none is required) and no interim EOF was used prior to establishing the permanent facilities at 89 East Avenue and later at 49 East Avenue.

Very truly yours,

John E. Maier
