Subject: I & E Inspection Report 81-13
Notice of Violations
Incomplete/Inaccurate Recording of Events in the Official Record
R. E. Ginna Nuclear Power Plant, Unit No. 1
Docket No. 50-244

Dear Mr. Brunner:

In accordance with the above subject which stated

"As a result of the inspection conducted on July 1, 1981 through July 31, 1981 and in accordance with the Interim Enforcement Policy, 45 FR 66754 (October 7, 1980), the following violation was identified:

Technical Specification 6.8.1 states in part, 'Written procedures shall be established, implemented and maintained covering the activities referenced below:

- a. The applicable procedures recommended in Appendix "A" of Regulatory Guide 1.33, November 1972...

Regulatory Guide 1.33, November 1972 states in part, 'The following are typical safety-related activities which should be covered by written procedures....A.8. Log Entries and Record Retention...'

Administrative Procedure A-20, Control Room Logs, Revision 9, August 20, 1979, states in part, 'The Official Record is a chronological record of events occurring during the shift... the type of items which should be included in this log are...

Q PDR

DATE September 17, 1981

TO Mr. Eldon J. Brunner

Events such as reactor trips, isolations,...etc.
Time of start and completion of specific jobs.
Equipment failures or suspected equipment malfunctions....'

Contrary to the above, the following examples represent incomplete/inaccurate recording of events in the Official Record."

the following is submitted in response.

Corrective action to address this violation is as follows:

1. A letter from the Operations Engineer to the Shift Supervisors was issued on July 8, 1981 stating the importance of logging the start and termination of specific events in the Official Record.
2. The Training section has been requested to review this violation and the use of procedure A-20, Control Room Logs, with each licensed operator during requalification training.

Very truly yours,

John E. Maier

Subscribed and sworn to me
on this 17th day of September 1981.
