Dear Mr. Strosnider:

In response to your request of November 30, 1993, I would be pleased to arrange for the industry to participate in your December 14 and 15 meeting on steam generator issues. Based on your proposed agenda plus my understanding of discussions between personnel on your staff and John Blomgren of Commonwealth Edison and Chuck Welty of EPRI, we have prepared the draft agenda attached hereto.

Please work directly with Chuck Welty at 415-855-2821 to develop the final agenda. We welcome this opportunity to provide you with an update of the industry perspective on steam generator issues.

Very truly yours,

Robert E. Smith
